COVID-19 TREATMENT FOR CAWEM MEMBERS

The Secretary of Health and Human Services has declared a State of Public Health Emergency for the United States due to the spread of novel coronavirus (COVID-19). As a result, the Oregon Health Authority (OHA) has determined that the Oregon Health Plan's (OHP) Citizen/Alien Waived Emergency Medical (CAWEM) benefit includes emergency services related to the coronavirus (COVID-19), regardless of your immigration status. This coverage includes facility and professional services in emergency rooms and subsequent hospitalizations when deemed appropriate and necessary.

TELEHEALTH SERVICES FOR OREGON HEALTH PLAN (OHP) MEMBERS

OHP has expanded access to telehealth. OHP has expanded access to telehealth services for OHP members. This expansion includes both physical health and behavioral health services. OHP is our state's Medicaid program, offering free health care to anyone who qualifies.
