

To make an appointment online for your COVID-19 vaccine, visit
<https://www.ohsu.edu/health/covid-19-vaccines-information-and-appointments>

The Centers for Disease Control and Prevention cannot schedule, reschedule, or cancel vaccination appointments. To do this, you must call the site that scheduled your appointment.

If you need to schedule your second dose, and the place where the first dose was given doesn't have any, you may get it at a different location. To do this, contact the state or local health authority to request information at 833-647-8222.
